**SM    6.    Consideration of Ordinance (Bill No. 10-16) amending the Charter regarding tax limits. - passed**

The Home Rule Charter Section 914 contains limitations on increases in taxes, including a 2-mill limit on increases in annual real estate tax, and a restriction on increasing earned income tax only when there is a corresponding reduction in real estate. The 2-mill limit was added to Section 914 at a time when Allegheny County used a predetermined ration of 25% for assessments, whereas now it uses 100%. The 2-mill limit in Section 914 would allow a tax increase of approximately \$5,000,000 a year; the proposed 10% limit would lower this amount to approximately \$3,500,000.

Section 914 allows a tax increase in excess of the stated limitations only if the increase is approved by a referendum or by unanimous vote of all Commissioners in office. Therefore, the Commission desires to change the Charter regarding the limitations and taxes. This ordinance was introduced November 28, 2016, and the public hearing was held December 13, 2016.

Recommended Action:           Move to enact Ordinance (Bill No. 10-16).
