- **Public Comment.** None
- **Approval of July, 2017 Minutes.** Martin motioned to approve the September minutes with the discussed changes. Natalie seconded and all members in attendance approved.
- **ESB Business**
 - Recap Table at Block Party – The Board members that attended felt that this went well and they received some good comments from residents. Other discussion included having zero-waste for all municipal events.
 - Discussion of Future Endeavors
 - Green Guide – The Board members will work on completing this and having it placed online.
 - Signage – Signage to explain various ‘green’ endeavors in Mt. Lebanon was discussed. Ian will check on some options and also suggested that there might be grants, possibly through Allegheny County Conservation District.
 - Other items discussed included minimizing outdoor fires, what could be done about run-off, home composting training and possibly placing compost bins at the schools. Abby suggested having one at the high school. She also informed the group that she will be accredited to get an Eco-District certification.
- **Commission Business.** The Board members discussed the SHACOG recycling bid and the various selections, and asked about the timeline and recycling and trash statistics.
- **New Business.**
- **Adjournment.** Ian motioned to adjourn the meeting and was seconded by Martin, and unanimously approved by the members present.
