Nor Alwine  
Steve McLean, Commission Liaison

- **Public Comment.** Sean Gatto asked about recycling in the business districts.
- **Approval of June, 2017 Minutes.** Natalie motioned to approve the January minutes with the addition of adding 'Solar Power for municipal buildings' to the 'List of Ideas for Future Endeavors'. Martin seconded and all members in attendance approved.
- **Introduction of new ESB member Nora Alwine** – Tabled to next meeting.
- **ESB Business**
  - CMU Green Infrastructure Study – Ian McMeans, Assistant Manager/Planner, explained the parameters of the study done by students at CMU. The students were asked to take a general look at Mt. Lebanon and determine where green infrastructure might work and the cost/benefit of installation and upkeep. The study will be used as the municipality progresses in the next steps with the consent order and capital improvements.
  - Feedback from ESB members:
    - Uptown Streetscape – Several members attended the meeting and expressed that a lot of good ideas were generated.
    - Millvale Tour – Martin and Natalie attended the tour. Millvale is very different than Mt. Lebanon and the people are very enthusiastic about what they are doing. Natalie explained that they have block parties and community events. Their Library is solar powered.
  - Discussion of Future Endeavors - the ESB members various ways that they could assist with information about recycling, sustainability, and education. First Fridays and the Mt. Lebanon Block Party (9/16) would be good venues.
- **Commission Business.** None
- **New Business.** Bonnie advised that she would not be able to attend the August meeting and asked if another date could be chosen. She agreed to send out a doodle poll to determine if this was possible.

- **Adjournment.** Martin motioned to adjourn the meeting and was seconded by Abby, and unanimously approved by the members present.
