

**Mt. Lebanon Environmental Sustainability Board**  
**Meeting Minutes**  
**August 9, 2018 - Room C**

- **Call Meeting to Order**

Roll Call:

**Attendees:**

Patrick Eberz, Chairperson  
Natalie Uschner-Arroyo  
Sarah Levinthal  
Martin Altschul  
Bonnie Cross, Staff Liaison

**Absent:**

Abby Lawler Morycz  
Nora Alwine  
Rogerio Arns Neumann  
Kelly Fraasch, Commission Liaison

- **Public Comment.** None

- **Approval of June, 2018 Minutes.** Martin motioned to approve the June, 2018 minutes. Sarah seconded and all members in attendance approved.

- **ESB Business**

- **Discussion of ESB role in recycling education.** Members discussed various recycling education approaches to eliminate contamination. Bonnie asked the group if anyone would be interested in forming a subcommittee to discuss education with the municipality, and informed them that she had found some information online and would forward it to them.
- **Options for glass recycling.** Sarah reported that she had contacted CAP Glass, one of the nation's largest glass recyclers to find out if there were any options for single stream glass recycling. While there was nothing conclusive, she did learn that glass recycling has a high tolerance for food/liquid and for caps.  
Natalie reported that Harrisburg, PA public works has a city-wide glass recycling operation and would contact them for information regarding what they are doing.

- **Commission Business.**

- Bonnie advised the members that information regarding the recycling communication plan would be introduced at the August 14 meeting, and that the actual trash contract would be introduced at the August 27 meeting.

- **New Business.** None.

- **Adjournment.** Natalie motioned to adjourn the meeting and was seconded by Martin, and unanimously approved by the members present.
