- **Public Comment.** None

- **Approval of September 13, 2018 Minutes.** Martin motioned to approve the September 2018 minutes. Sarah seconded and all members in attendance approved.

- **ESB Business**

- Justin Stockdale, PRC – Presentation and discussion regarding glass recycling. Jason advised the Board that if they wanted to bring the issue to the Commission, they should find a way to present a petition. Board members came up with ideas for trying to implement glass recycling that included:
 - Having SHACOG implement it for all of its members
 - Possibly having a weekly pick-up location operated by an independent contractor who could take it to CAP Glass in McKees Rocks

- **Commission Business.** None

- **New Business.** Mt. Lebanon High School was recognized as a Green Ribbon School.

- **Adjournment.** Martin motioned to adjourn the meeting and was seconded by Natalie, and unanimously approved by the members present.
