The Mt. Lebanon Recreation Department sponsors the garden plot program at the Mt. Lebanon Golf Course, 1000 Pine Avenue, Mt. Lebanon, PA 15234.

The garden plot program is for **Mt. Lebanon Residents** only. There are a total of 66 plots. 36 plots are located in the upper plot area and 30 plots are located in the no-till lower plot area. The plot measurements are approximately 10 foot by 35 foot and the boundaries are identified by markers (stakes). These markers may not be moved, and gardeners may not plant beyond the boundaries of their plot.

The fee for the 2020 growing season is **\$55.00** per plot.

This year's garden plots are offered to the 2019 garden plot participants first. The past participants are given an opportunity to register for their current garden plot or to request a different garden plot if available. The deadline for the 2019 participants to get their registration forms and payments in is Friday, February 21, 2020 at 4:30 p.m. No exceptions.

On March 9, 2020 at 5:00 p.m. any remaining plots will be made available for new gardeners via online registration at www.mtlebanon.org (Go to our website at www.mtlebanon.org, click the  button at the bottom of the page, click "Register Online" in the middle of the page.

If plots still remain, we will also accept registration in person beginning March 11, 2020 in the recreation offices on the second floor of the recreation center. Use the diagram below to see the location of the plot numbers. Please note: plots 48-55 are very shady.

Consider donating your surplus crops to a food pantry. Visit www.shim-center.org
