- IV. **Review Proposed 2018 Priorities** – Staff sent an email prior to meeting requesting a list of issues of priority for voting EDC members. Staff aggregated responses for review. The priorities identified are:
 - a. **Uptown Public Space Improvement (PSI)** – this project includes sidewalk replacement, new street lighting and conduit as the primary short-term objective. In tandem are efforts to enhance connectivity to the Mt. Lebanon T Station and activating Parse Way.
 - b. **Retail/3rd Place Business Attraction** – Continued outreach to attract retail and 3rd Place businesses to our commercial districts on the ground level.
 - c. **Development Incentives** – research what is available in a community that is not low/mod/CDBG eligible to assist business/property owners with commercial investments.
 - d. **Support Active Park Use at McNeilly Park** – The EDC acknowledges the investment made by Mt. Lebanon to acquire ~23 acres of woodland on our northern border. The EDC would like to see this asset capitalized on with the installation of trails, signage and appropriate parking amenities.
 - e. **Monitor Progress of Residential Projects** – Robust residential markets mean robust commercial districts. The EDC will continue to monitor and support appropriate residential development to positively impact our commercial corridors.
 - f. **Continue to Use the Comprehensive Plan + Uptown Strategic Plans** – It is essential that the EDC utilize these 'crowdsourced' documents to inform our focus.
- V. **2018 Pillar/Work Plan** – Staff will incorporate the 2018 priorities identified in item IV. to the 2018 Work Plan using the focus areas listed below:
 - a. Impact Development
 - b. Business Attraction + Retention
 - c. Public Realm
