Household Hazardous Waste Events The municipality will host two hazardous waste recycling collection events by our contractor, Environmental Coordination Services and Recycling & ReCom Services. You **MUST** pre-register for the events to minimize wait times and ensure your safety. Rates vary and are published in the respective municipality registration forms online at www.ecsr.net. If you cannot participate in these events, contact www.prc.org for other events and information.

Woody Waste Curbside Pickup Materials collected are limited to shrubs, tree branches and limbs—This is not a pickup for trees you have professionally removed. Please place materials at the curb (not in the street) before 7 a.m. on pickup day. You **must** register for each collection event by calling 412-343-3403 by 4:30 p.m. the Thursday before that collection event. When preparing your material for pickup, please follow these guidelines:

- Please remove all dirt and debris from roots of shrubs. We are unable to pick up soil or rocks.
- Place small branches into piles (**not bound**) not exceeding 24 inches in diameter and 48 inches in length.
- Large tree limbs should be a maximum of 6 feet in length and 5 inches in diameter.
- Total amount put out for any one pickup cannot exceed the amount that fits in a single pickup truck.

We are unable to collect material if you do not follow these guidelines.

Yard Waste Recycling Drop-Off Mt. Lebanon’s yard waste drop-off recycling program, available to Mt. Lebanon residents, is on the first Saturday of the month, from 7 a.m. to 3 p.m., from April through the first Saturday in October. Drop off yard waste at the golf course maintenance facility, Pine Avenue. We accept leaves and garden residues in recyclable Kraft bags, small twigs, shrubs, brush and branches (under 3 feet.) **No grass clippings, stones, soil, stumps, large limbs or plastic bags.**

Thank you for helping us recycle! Please visit our website at www.mtlebanon.org for further details.
