

2022 Recycling Program

We are excited to announce the acceptance of plastic tubs in your curbside recycling program. Acceptable plastic tubs have a snap on lid and hold food such as yogurt, cottage cheese, cream cheese, and butter. Plastic tub lids and food must be removed before the container can be recycled.

Waste Management is asking your community to help combat recycling contamination. For programs to be successful, all participants must make an effort to practice good recycling habits

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs, jars and tubs. Any other plastic shape must go in the trash, or recycled elsewhere.
- Glass is no longer accepted for curbside recycling – talk to your municipality about local drop off programs.
- Containers that held food should be rinsed free of food debris and liquid.
- Shredded paper is not accepted.

Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin.

Dear Mt. Lebanon Resident:

Mt. Lebanon Municipality provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Regular Curbside Collection

Waste Management will continue waste and recycling collection in Mt. Lebanon through 2022. Garbage and refuse will be collected once every week according to the attached street listing. Recycling will be collected every other week; please see the calendar and street listing to identify your collection day. Place material at the curb after 6 p.m. on the prior day or **before 6 a.m.** on the scheduled collection day.

Service Inquiries

Residents should direct all questions and complaints regarding refuse and recycling collection to Mt. Lebanon at **412-343-3400**. In the event of inclement weather, visit www.wm.com/alerts for service updates, delays and cancellations.

General Guidelines

- Garbage should be properly secured in containers (40 gallons or less) or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/cans and 2 bulk items per week.
- Grass clippings and weeds should be in plastic bags.
- Furniture items, appliances, household goods and disassembled children's swing sets (cut to 4-foot length) will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one person can lift.
- Empty paint cans and dried paint are acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be off.

Special Backyard Service Fee

Waste Management can furnish backyard collection service limited to four cans of general household refuse plus one recycling container. Grass clippings, furniture and appliances, will be picked up at the curb only. Residents may request this service directly by contacting Waste Management at **800-866-4460**. The monthly fee is \$29.37 for garbage, \$11.44 for recycle or \$40.81 for both.

Mt. Lebanon Special Recycling Days

Bring electronic devices for recycling and confidential papers for shredding to the public works yard at 1250 Lindendale Drive (off Cedar Blvd.) from 10 a.m. to 2 p.m. on the Saturdays listed on the calendar. Valid for Mt. Lebanon residents only. Only one (1) free TV per car. There will be a \$25 fee for appliances containing refrigerant and a \$2 fee for every mercury bulb. **Shredding fee will be \$8/box: cash or checks only.**

Excluded Items

Building material may be picked up for a fee by contacting Waste Management at **800-866-4460**.
